LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for June 3, 2021, at 10:50 a.m.;

WHEREAS, Plaintiff has not filed any evidence of service on Defendants, and Defendants' counsel have not filed appearances;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the June 3, 2021, initial pretrial conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. To the extent any party's counsel seeks to move for admission *pro hac vice*, counsel shall file a motion in accordance with Local Rule 1.3. It is further

ORDERED that Plaintiff shall file documentation reflecting the status of service of the Complaint on Defendants by **June 1, 2021**. It is further

ORDERED that Plaintiff shall serve a copy of this Order on Defendants by electronic means no later than **June 1, 2021, at noon**. Plaintiff shall file a certificate of service of this

Order by **June 2, 2021, at noon.** It is further

ORDERED that if Defendants seek to file a motion to dismiss, they shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.2.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
